

Company and Technology

LUXIM

- Diversified lighting technology company
- Worldwide sales & distribution
- Technology leader in high intensity lighting
- Innovative solid-state design
- High volume manufacturing

LIFI Lighting Performance

- Solid State System
- High Output – 22,000 lumens
- High Efficiency – 120 lumens/watt
- Long Life – 30,000 hours
- CRI – 95
- Instant On – No Re-strike Time
- Extreme Durability – No Filament or Electrodes
- Compact Efficient Fixtures – Directional Source
- Operates to -40° C
- Digitally Controlled Dimming to 20%
- Emergency Lighting Capable
